RESPONSE TO INTERVIEW SUMMARY

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Dear Sir:

Applicants' representative would like to thank the examiner for the telephone interview on August 24, 2009. U.S. 4,294,469 to Errichiello was discussed. No agreement was reached.

Applicants argued that the cover part of the Errichiello reference is not "indentable" as claimed. The examiner said he would review the art and the arguments presented. The examiner asked applicants' representative if there is any structural difference that comes about from RF welding. Applicants' representative stated that he thought it did, and that he would look into the possibility of amending the claims and submitting evidence in support of this.

Dated: October 1, 2009

Respectfully submitted,

By /Marc A. Hubbard/
